

De Gogorza Chief Soloist Of the Week-End

By Sylvester Rawling. FROM a busy week-end in the music world, with much to commend, it is not easy to pick out a leading subject.

BREAKS A COLD IN A FEW HOURS WITHOUT QUININE

First dose of "Pape's Cold Compound" relieves all gripe misery.

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

the appearance as soloist of Emilio de Gogorza, the husband of Emma Eames, who was one of his most interested listeners. He sang the serenade from Mozart's "Don Giovanni" and the serenade from Berlioz's "La Damnation de Faust."

Ferruccio Busoni was the attraction at the Metropolitan Opera House concert last evening. It was the pianist's first appearance this season and a big audience welcomed him and enjoyed his artistic playing to the utmost.

How to Get Rid of a Bad Cough.

A Home-Made Remedy That Will Do It Quickly, Cheap and Easily Made.

If you have a bad cough of chest cold which refuses to yield to ordinary remedies, get from any druggist 3 1/2 ounces of Pinex (30 cents) bottle, pour into a pint bottle and fill the bottle with plain granulated sugar syrup.

To avoid disappointment ask your druggist for "3 1/2 ounces of Pinex" and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation.

Mitchell The Tailor's Banquet

which was held solely for the purpose of criticism, brought forth the following question: "Do advertised prices as low as \$8.75 hurt our business?"

My answer to the above question, in substance, was as follows: "Regarding a profit in a tailoring business, volume of which is as large as mine, elimination of waste is absolutely necessary.

Thousands of customers that I sell \$15, \$18 and \$20 orders in the busy seasons were brought to my door with the possibility of buying a suit for a price of \$8.75 or \$10.00, which, when purchased to piece out a season, he finds to his surprise that he had the same goods he was accustomed to paying twice or three times as much for.

It is a custom for me to gather my cutters and designers together once a month at the banquet table, where criticisms and business betterment talks are asked for. This answers a question that one of my employees asked me and many of my customers have suggested.

Any of my salesmen in either of my stores would be pleased to go into details on this matter with any customer who would be interested. (Signed) MITCHELL The Tailor.
